

So much to be proud of - just look what we have achieved together since 1995

1996 – 1st visit to Iganga by Richard Scott-Herridge, Daventry District Council (DDC) to sign the partnership agreement with the Mayor of Iganga Town Council (ITC)

Engineers from DDC worked with Igangan colleagues to **improve surface water drainage**

Environmental Health Officers worked with ITC to **reduce water and refuse problems**

VSO Town Planning Officer worked with ITC and **designed Freedom Square** - her legacy

Minibus sent for the youth in Iganga and the first of many **visits from Daventry Friends**

Refuse truck sent, filled with goodies. They called out 'Daventry' as it collected rubbish

Orphanage – ongoing support for the street children; a homelife and education

Refurbishment of the local Clinic with so much more to come in the future...

Schools and school visits – teachers and students; correspondence, Skyping etc

Iganga Hospital much refurbishment of children's wards, operating theatre & more

Commonwealth Scholars visit DDC and nearby Councils to benefit their expertise

Centre for Blind refurbishment giving comfort for the blind and partially sighted

Water sources giving safe water to 1000s of people in many villages

TUDIPIU Centre for Handicapped given a new floor suitable for wheelchair use

Namunsaala Clinic, built near Iganga Town, helped by Rothersthorpe residents

Sent from Daventry ambulance, refuse trucks, sewing machines, hospital beds and equipment, woodworking tools, shoe repair tools, school equipment, wedding gowns for hire etc,etc

Iganga Friends of Daventry, IFoD, our opposite number, constantly work with us to decide upon and help to complete projects

Iganga has gained Municipal status and is due to grow rapidly in size in the near future
